### Appreciations: Mother's Day Campaign

The Circles RVA community is comprised of people who value sharing life experiences: sharing successes, challenges, and everything in between.

It's exciting to see that the value we place on sharing and uplifting one another is being passed down to the next generation. We appreciate Ava and Ny for their willingness to express the things they love and admire about their moms, including the growth they see as their moms work through the Circles process.

Their full thoughts and observations were too good for a single campaign video. Click here for their extended thoughts and comments:

Thank you to everyone who made a gift during our Mother's Day campaign. Gifts were made honoring over fifteen moms in support of Circles RVA. It's not too late to make additional gifts in honor of mother-figures in your life. Visit [circlesrva.org/moms](http://circlesrva.org/moms).
